

Goods Questionnaire

Name:

Acknowledgement Reference:

Do you make supplies from the EC to N Ireland private individuals-if YES complete a VAT1a(if you haven't already done so).If No(you do not make supplies from EC to NI private individuals)then complete a VAT1(if you haven't already done so).

1. Are you supplying goods - (Yes/No) If so, what type of goods are you supplying?

Provide description of a typical product you sell currently in your store. Change over time is natural.
.....

2. If the goods you are supplying are imported into the UK who acts as the importer of these goods?

The logistics partner you are using will be the one customs clearing the goods.
Mention the name(s) of transport companies you use.

3. Whose name is shown on the C79/ Monthly Import Statement document as the importer of the goods?

In this context it is you, the seller.

4. If you own goods which you are exporting, are those goods located in the UK at the time of your export? **YES/NO**

"YES" - if you deliver from UK to EU. "NO" - if you only intend to ship to UK.

5. Do you either purchase goods in the UK, or hold a stock of goods in the UK, to sell once a buyer/customer has been found (this includes any goods which you have stored in a UK Amazon fulfilment centre)? **YES/NO**

"YES" - if you have stock of goods in the UK or intend to. "NO" - if you only ship to UK.

6. At the time when your customer places an order, are your goods located in the UK when dispatch or transport of the goods to your customer begins? **YES/NO**

See previous description in question 5.

7. If not, in which country are the goods located? Country where you store your goods in.

8. Please confirm that the goods imported into the UK are of a value below £135.00

..... "YES" - if you intend to take advantage of the simplified B2C import **YES/NO**
scheme. "NO" - if you intend to ship predominantly over £135 goods.

Signed.....**Date**.....
